The Research Directorate has also finalised a study on Farm Management Accounting and Control. In this study, the integration of agricultural productivity into a framework of Management Accounting and control of farm operations has been aimed at.

The finalisation of the ICSSR Project on Comparative Efficiency in Fertilizer Industries in India, 1961-63 to 1970-71. has unfortunately been delayed. The report is expected to be ready for submission to the ICSSR before long.

Among the projects now on hand, mention may be made of three short-term ones, namely (a) Management Accountant and the Computer (b) Stock Valuation, and (c) Costing Profit and Loss Account.

## JOURNAL

During the last twelve months, the upward trend in the circulation of the Journal continued, the present circulation having risen to 16000 per month. The Journal is being brought out in separate editions for members and general subscribers and for Registered Students.

Due to unfortunate strike in the printing industry in West Bengal, the despatch schedule and timely publication of the Journal were disrupted. Efforts are being made to catch up with the backlog and it is hoped that soon the Journal despatch will be on schedule again.

While the Journal has been receiving appreciation of members, efforts are being made to make it more useful to them. The cooperation of members and others in this regard continues to be commendable.

## JOINT PROGRAMME WITH ICA

A course was conducted jointly by the Institute of Chartered Accountants of India and the Institute of Cost and Works Accountants of India on Cost and Financial Management in New Delhi in December 1978. Similar programmes are intended to be organised in future jointly with professional bodies.

## CONTINUING EDUCATION

Courses are being organised by Regional Councils and Chapters of Cost Accountants as part of continuing education programmes. Attention is also being given to organise such programmes on national basis.

## SACHAR COMMITTEE REPORT

Members are aware that the High Powered Expert Committee for Review of Companies Act and MRTP Act, headed by Justice Shri Rajinder Sachar (generally known as Sachar Committee), has submitted its Report. The recommendations made by the Institute to the Sachar Committee were duly considered and some of them were found to be acceptable to the Committee. The major recommendations that were accepted by the Committee are that (a) every company, engaged in certain activities, having a paid-up share capital of Rs. 25,00,000 or more should compulsorily appoint a Cost Accountant, and (b) audit of cost accounts of companies, which are required to maintain cost accounting records under Section 209 (1)(d) of the Companies Act, should be carried out regularly on year to year basis. The Expert Committee also made several other recommendations with which the profession is directly or indirectly concerned. It is understood that all these recommendations are now being examined by the Central Government.

## COST AUDIT

During the year, the Central Government framed Cost Accounting Record Rules for another industry

namely, Dry Cell Batteries. The following are the twenty-seven industries for which Cost Accounting Record Rules are now operative—

Cement, Tyres and Tubes, Caustic Soda, Electric Motors, Cycle, Room Air-Conditioners, Motor Vehicles, Electric Lamps, Refrigerators, Automobile Batteries, Electric Fans, Agricultural Tractors, Aluminium, Vanaspati, Bulk Drugs, Sugar, Infant Milk Food, Jute Goods, Paper, Industrial Alcohol, Rayon, Dyes, Soda Ash, Cotton Textiles, Polyester, Nylon and Dry Cell Batteries.

Cost Audit booklets on twenty-one of the above industries have so far been published by the Institute. Similar booklets on other industries are under preparation.

In the preparation of these booklets, many members extended their full cooperation to the Institute, which the Council acknowledges with thanks.

It is understood that Cost Accounting Record Rules for Sulphuric Acid, Electric Cables, Ball Bearings, Power Driven Pumps, Basic Plastics and Steel Pipes and Tubes industries are under preparation.

The President, along with some of his colleagues in the Council, drew the attention of the Central Government several times to the fact that although the Institute was assured by the Government that cost audit will, in most cases, be repeated year after year, in actual practice, only in few cases repeat cost audit was being ordered. On this issue several meetings were also held with high Government Officials, including the Chairman of the Company Law Board, Shri P. Krishnamurti. As a result of these meetings, the position is expected to improve appreciably.
